FREE LEASE Opportunity

(Priority consideration to long term leasee)

Here is a great opportunity to get a fabulous horse to ride, jump, show, teach, train and bond with without having the cost or commitment of purchasing one. Mercedes could be like "your horse" to love and care for many years if you are the right person.

Mercedes was purchased for my 10 yr old daughter Nikki for her birthday in Feb. 2011. Shortly after that she took a few tumbles off her and we decided it would be better to get her a pony and did.

But you see, Mercedes is much too awesome a horse to sell and we know that in the future Nikki will need and want Mercedes to accomplish her riding goals and dreams. In the meantime, we are looking for that special someone to ride her often and advance her existing skills in Hunter/Jumper and introduce her to cross country and the world of Eventing. She is currently jumping 3'6 to 4' courses but could go higher with more training. She is a very willing and brave jumper. She has not been consistently ridden for the last 12 months so she will be a little rusty and needs to get back into condition.

She has good ground manners, stands and loves to be groomed, loads in trailer, baths, is quiet for the clippers and blow dryer. She has a funny personality that will melt your heart. We feel that she will be available for lease for the next 3 years. Don't miss out. Mercedes is perfect for that teen that will be going to college in the next few years.
